Aquatic **FITNESS** Equipment

From Aquatix USA

AququaPRO Bike

AququaPRO series

The Latest Innovation Available In Aquatic Exercise Equipment

Aquatix USA turns your pool into a 'Liquid Gym'. This aquatic fitness equipment takes aquatic exercise to the next level. Share the aquatic fitness experience offered by renowned health clubs, country clubs, military bases and medical rehabilitation facilities. This high quality equipment is constructed with marine grade 316 stainless steel, to withstand continual long term use, providing hours of consistent and safe performance.

Here are a few of the benefits:

- **For Aqua Fitness & Aqua Therapy**
- **Water Resistance Provides Maximum Results In Less Time**
- **Low Impact Cardio Exercise**
- **Minimizes Joint Stress**

This equipment is easily set up and can be removed from pool as needed.
